Dear ~~John~~

**Thank you for supporting St Barnabas Lincolnshire Hospice first ever  
Colour Dash**

On behalf of St Barnabas Lincolnshire Hospice, I would like to say how grateful we were for your support at our first ever Colour Dash.

The event was a huge success and is the largest and happiest fundraising event in St Barnabas Lincolnshire Hospice history, with £100k pledged in sponsorship.

Our aspiration is to help our patients and their families make the most of every single second they share, regardless of how much time remains. It is money raised from events like these that can turn our aspirations into reality.

Thank you once again for supporting St Barnabas Lincolnshire Hospice

With kind regards

Yours sincerely

Becky Otter  
Events Manager
