

*A Clearflow power flushing pump will get a heating system cleaner than ANY other method, with class leading performance to get the job done faster and more effectively.*

*Power flushing pumps for professionals!*

*Clearflow CF90 Quantum.*

**With Kamco CLEARFLOW power flushing pumps you get:**

- Models suitable for all heating systems, including underfloor.
- Ultra high flow rates for maximum removal of corrosion debris.
- Instantaneous flow reverser.
- Operation up to 75°C; run dry capability.
- Portability - wheels, or carry.
- Hoses and fittings ready assembled.
- Starter pack of chemicals for 2+ jobs.
- Waterproof hose carry container.
- Kamco technical expertise, help-line support and service workshop.
- Dual purpose - acid proof construction allows pump to be used to descale boilers and water heaters.

## Power flushing pumps for domestic and small commercial systems

Technical data	Clearflow CF90 QUANTUM	
		
 <p>Starter kit with hoses</p>		
Application	Domestic and small commercial heating systems	
Flushing capability	40 radiators max; 3 storeys	
Tank capacity	57l translucent HDPE	
Electric motor size	.1 kW, IP55 rating, 230 or 110 volt	
Max. flow rate *	<150 l/m	
Max. head	4m	
Max. temperature	75° C.	
Flow reverser type	instantaneous	
Control valves	3-port combination valves for isolation and dumping	
Flow and return hoses	2 x 5m hoses, 19 mm I.D.	
Hose end fittings	3/4" BSP x 19 mm brass hose couplings	
Dump hose	1 x 8m, 19 mm I.D.	
Water inlet hose	1 x 8m	
Overflow hose	1 x 3m, 19 mm I.D.	
Other hoses supplied	2 x adapter hoses for connection to 1.5" circulator pump fittings.	
Carrying / transport	Integral handle; 200 mm wheels.	
Weight (without hoses)	2.5 kg	
Chemical handling ability	All commercially available acids, alkaline solutions, chlorine solutions.	
Dimensions (mm), WxDxH	390 x 440 x 690	390 x 590 x 890
Also included	<p>Starter pack of flushing chemicals, inhibitor, and pH test strips, sufficient for 2 x power flushes</p> <p>10 part kit of BSP threaded adapters (CF40 and CF90 models).</p> <p>Operation manual; Waterproof hose set carry crate. Pack of 50 promotional leaflets.</p>
